

## **BAKED POTATOES, FRIES, SALAD AND BREAKFAST FACT SHEET**

In addition to featuring delicious cheesesteaks, The Great Steak & Potato Co. offers many great sides including baked potatoes, salads and famous Great Steak fries. The Great Steak fries are well known for their crisp, one-of-a-kind taste that is achieved by cooking the fries in 100% cholesterol free oil. A breakfast menu is also available at participating locations and includes breakfast sandwiches made with eggs and the choice of steak, ham or sausage along with deluxe home fries done in true Great Steak fashion with onions, mushrooms and green peppers.
